East Newark doesn't surprise me. They don't really have the resources for this kind of thing and generally rely upon us. Harrison has more resources, but sometimes does the same. However, as fate would have it, we will be meeting with our eight CSO communities next Thursday. I will be sure to bring this up their representatives. If there is any information in particular you would like me to pass along, please let me know and I will be happy to do so.

Michael – Thank you. Your email is part of our list.

By the way, before we spoke with you today, we spoke with Newark (Robert Thomas and Phillip Scott) and Kearny (Michael Martello and Susan McCurrie). East Newark and Harrison had been invited but did not participate.
